 - [Brand videos](#) - starting at \$899+gst
 - [Life Story videos](#) – starting at \$1195
-

Client Testimonial Videos

A 2-3 minute client testimonial video is a great way to promote your business. It's like a word of mouth referral, but in video format.

Cost: \$499 NZD +gst

Description:

- Client testimonial interview arranged and carried out by Love2Video using online studio quality recording platform
 - Editing and production of 2-3 minute video
 - Logo and branding included throughout
 - Addition of intro and outro clips
 - Titles, subtitles and background music added
 - Still images added if required as supplied by you (high resolution)
 - Final 2-3 minute video delivered in MP4 format ready to post to social media and add to your website
-

Brand, Campaign/Event Videos

A personal and engaging way to introduce your business brand (or campaign/event) in a documentary style video shoot – using our storytelling technique to explain what you do & how people can work with you or buy from you.

Cost: from \$899 NZD +gst

Description:

- Follows a 5 point brand story video process
 - Tips and coaching on camera confidence on the day of the shoot
 - Includes a 2-3 hour video shoot at your location (can be longer at additional cost)
 - Logo, branding and other still images added if required - supplied by you
 - Editing and post-production work (with a client review process included)
 - Final 1-3 minute video in MP4 format delivered ready to post to social media and website
-

Life Story Documentary Videos

A personal documentary about your life and memories – capturing key life highlights for you to pass on to future generations.

Cost: from \$1195 NZD

Description:

- Planning session to identify timeline and life events to include in the video
- Tips and coaching on camera confidence on the day of the shoot
- Recording of your [life story video memoir](#)
- Full editing and production of a professional, documentary style video memoir
- Additional footage e.g. playing instruments, working in garden, etc
- Scanning & including old family photos
- Background music, titles and subtitles added
- Delivery of final video within 4-5 weeks of recording with footage supplied in MP4 format ready to share with family & friends

Go to www.movingmemories.nz for more information about Life Story documentary videos.)

Additional costs

Key message/script writing for video if required - \$110/hour

Camera crew assistant costs - \$110/hour (plus travel if outside of Wellington region)

Additional video footage editing (e.g footage provided by you that has already been shot)- \$95/hour

Format of Video Shoots

The video production format is simple, using a high quality camera with tripod. We can also take candid still shots, and include a mix of these in the final cut.

The video shoot can be completed anywhere in the Wellington region, or in other parts of New Zealand (additional travel costs would apply).
